LOCAL MATTERS.

AD. FROM 10:30 to 11:00 a. m. and 6:30 High water at 1:06 p. m. and 1:40 p. m.

WATER PROBABILITIES.—For this season probably showers; this afternoon or tonight fair. There is a slight possibility of a shower with cool weather still in the vicinity.

DISORDERLY SOLDIERS.—Frederick Lynch, a soldier, came here yesterday for the purpose of getting on a jamboree. Shortly after ten o'clock last night he was on what is known as "hard core" in the northeastern portion of the city, endeavoring to terrorize the neighborhood by flourishing a pistol and acting in a drunken and disorderly manner. Officers Knight and Bettis started after Lynch, and when the officers approached he proceeded to take out his coat for the purpose of fighting the preservers of the peace. The latter, however, grappled with him, captured the pistol and took him to the station house. Lynch cursed and abused the officers the entire way. The Mayor this morning fined the accused \$5.

Considerable excitement was caused by the intervention of Prince and Fairfax streets about half-past one o'clock this afternoon by eight or ten drunken and disorderly soldiers. Several of them got to fighting, when Officer Davis, who was on duty at the time, appeared. He endeavored to arrest the participants, when their companions crowded around the officer, presuming to prevent the arrest. Considerable scuffling ensued, but Mr. Davis kept his hold on one of the belligerents, and the other was released by Mr. Davis. As the officers started with the prisoners, the soldier Mr. Davis had in custody endeavored to break away, and dealt one of his soldier companions a blow in the mouth. Mr. Davis used his stick on the refractory prisoner, after which he gave no further trouble. Lieutenant Smith also struck at one of the soldiers with his stick, but the blow was dodged.

TOURNAMENT.—On yesterday another tournament was given near Ballston, by Messrs. J. R. Howard and N. B. Hogan. On the line of the Falls Church electric road. A large concourse of persons assembled. The list of knights was as follows: W. L. Clarke, Virginia Boy; H. T. Palmer, Falls Church; T. R. Stoneburner, Arlington; R. H. Dame, Old Dominion; and Philip Weaver, Warrenton. Robert Veiten, Walter Beach and Arthur Cloyer acted as judges. Mr. P. Woodard was the chief marshal. The riding was very good and was watched with interest. The following named knights were successful: H. T. Palmer, Falls Church; W. L. Clarke, Virginia Boy; T. R. Stoneburner, Arlington; and R. H. Dame, Old Dominion. The coronation ceremonies were announced to take place at 6 p. m. and at that hour the large pavilion was well filled by a sea of faces, the larger portion being of the fair sex. The music during the day was contributed by a brass and string band from Bailey's Cross Roads. These ladies were crowned as queen and maids of honor in the order named: Miss Minnie Keyes, Miss Anna Stoneburner, first; Miss Blanche Stoneburner, second; Miss Blanche Berry, of Washington, D. C., third. The Royal set was next danced and the young people kept up the festivities until late. Messrs. Howard and Hogan did all in their power to give their friends a pleasant time.

DR. DUNCAN RELEASED FROM JAIL.—Dr. Louis Duncan, who had been confined in the county jail at Fairfax Court House under indictment for desecrating a Confederate grave near Bull Run, was released last night on bail. A New York draft for \$1,100, the amount of bail required, was received by the evening mail from his friends in Kansas, and Judge Love was soon at the court house ready to pass upon the application. After a few preliminaries the prisoner was bailed to appear for trial at the October term of the court, the case being postponed until that time. He left on last night's train for Camp Meade, Pa., where he will join his regiment, which it is understood, will go to Kansas shortly to be mustered out.

POLICE COURT.—Mayor G. L. Simpson presiding. The following cases were disposed of this morning: Harry Davis, colored, arrested by Lieutenant Smith and Officer Arlington charged with shooting and cutting Henry Stevens, colored, in Prince George's county, Md., was held for a future examination. Fred Lynch, arrested by Officers Knight and Bettis for drunken and disorderly conduct and for carrying concealed weapons, was fined \$5. George Robinson and Taylor Drowns, arrested by Officer Proctor for trespassing on the property of the Southern Railway Company, had his case continued until 5 o'clock this evening.

WOODLAWN FARMERS' CLUB.—The Woodlawn Farmers' Club picnic at Snowden's, on August 27, was a most pleasant occasion. So much did the members and invited guests enjoy themselves that no organized meeting was held and the next place of meeting was not announced. One feature of the afternoon was a trial of the Hancock riding disc plover in Mr. Snowden's field. The plover seemed to do fairly good work, but on the whole it was considered unsatisfactory and the price was regarded beyond the reach of farmers these hard times.

SUIT FOR DAMAGES.—Jas. R. Scott, in Washington, yesterday, filed suit against the Norfolk and Washington Steamboat Company for \$15,000 damages for injuries received in collision between the Newport News and Columbia, near this city, on September 6, 1897. Scott alleges negligence on the part of the servants of the defendant company, and says that on account of the injuries received he was for a long time prevented from attending to his usual business.

SCHOOL PERMITS.—The clerk of the city school board to-day finished for the week the issuing of permits for white children to attend the public schools. During the day 92 permits were issued, 54 to white boys and 38 to white girls; making 1,238 for the three days, 641 to boys and 597 to girls. For the corresponding period last year 1,323 were issued, 690 to boys and 633 to girls. To-morrow and Friday permits will be issued to colored children.

PERSONAL.—Misses Emma and Mattie O'Neal, of Baltimore, and Miss Grace Mallard, of Washington, are visiting Miss Margaret O'Neal on Prince street.

Admiral Cervera, accompanied by his son, Lieutenant Cervera, and Lieutenant Gomez were on the Norfolk steamer when it arrived here this morning. They were on their way from Norfolk to Washington.

Cadet Powell, of Alexandria, is visiting Mrs. A. M. Fauntleroy, for a few days before entering the V. M. I. for the present session. Miss Florence White, of St. Louis, who has been visiting in Alexandria, arrived Monday night and is the guest of C. P. Lambert.

Rev. J. Ernest Thacker, of the Second Presbyterian Church of this city, has resumed his duties as pastor after the usual summer vacation. Mr. Thacker will be welcomed home by his many friends, both in his own church and in other denominations. Everywhere Mr. Thacker goes he makes a host of friends. In Staunton especially, he is most highly spoken of both for his brilliant oratory and cordial manner.

Mr. W. T. Smith and family have returned from Fauquier county.

Rev. Father Carney, of the Sacred Heart Church, Richmond, is visiting relatives in this city.

Miss Dora Grigsby was a guest at the Arlington in Lynchburg yesterday.

Mr. Champ Walker, who has been quite sick for the past two weeks, is able to be out again.

The family of Mr. Jacob Brill has gone to Sycamore Island to spend a few days.

Miss Bertie Sipple has returned from a pleasant visit to Caroline county.

THE FLOUR INSPECTORSHIP.—The race to this much sought after office is just at this time growing exciting. Mr. Thos. Perry, the present occupant, is the oldest flour merchant in the trade in this city and his long experience in handling gives him that practical knowledge of flour so decidedly necessary for one filling the position. Many of the flour merchants have protested to the Governor against any change, considering Mr. Perry a most desirable man for the office, and to-day forwarded the papers to Richmond.

RUNAWAYS.—Yesterday evening about 7:15 a single team darted at full speed west out of Price's alley. Almost instantly a double team frightened by the first runaway started in its wild career east through the same alley, turning west at King street. The single horse team turned east at Fisher's corner, tearing down King, and around Lindsey's store, where both were brought to a halt. The damaged consisted of a broken pair of shafts.

PASSED THROUGH.—The 5th Maryland regiment passed through this city this morning on the Pennsylvania Railroad on their way home from Florida. But few persons were at the depot to see the soldiers.

One of the large eyesore trees in front of the old Ladd property, on north Lee street, having become dangerous from old age, was cut down this morning, and in falling demolished some of the electric wires on that street.

The body of Elmer Kalmiter, of the Sixth New York regiment who died at the hospital at Brigstow yesterday, were brought here to-day and will be embalmed by Mr. William Demaine and shipped to the late home of the deceased.

Remarkable Rescue.

Mrs. Michael Curtin, Plainfield, Ill., makes the statement that she caught cold, which settled on her lungs; she was treated for a month by her family physician, but grew worse. He told her she was a hopeless victim of consumption and that no medicine could cure her. Her druggist suggested Dr. King's New Discovery for Consumption; she bought a bottle and to her delight found herself benefited from first dose. She continued its use and after taking six bottles, found herself sound and well, now does her own housework and is as well as she ever was. Free trial bottles of this great discovery at E. S. Leadbeater & Sons' Drug Store, large bottles 50 cents and \$1.00.

One Minute Cough Cure surprises people by its quick cures, and children may take it in large quantities without the least danger. It has won for itself the best reputation of any preparation used to-day for colds, cough, tickling in the throat or obstinate croup. C. G. Lennon.
